3143- DISMISSAL

The Board of Education will enter a contract with each non-tenured teaching staff member providing, in part, for the termination of employment by either party on proper notice in accordance with Board Policy No. 3124.

The Board may dismiss a non-tenured teaching staff member when dismissal is in the best interest of the school district. Termination notice will be duly given in writing and will state the reason therefor.

However, the Board reserves the right to terminate a non-tenured employee without notice when sufficient cause warrants.

The Board will determine whether to permit an employee to continue to perform services during the period between the giving of notice and the date of termination.

Conduct of Reduction in Force

3146- CONDUCT OF REDUCTION IN FORCE

When teaching staff member positions have been abolished, in accordance with Board Policy No. 3112, the Board of Education will transfer and/or dismiss affected teaching staff members as required by law.

No tenured teaching staff member will be transferred or dismissed in a reduction in force affecting a category of employment in which a non-tenured teaching staff member is employed. When two or more non-tenured teaching staff members are employed within the category affected by a reduction in force, the non-tenured teaching staff member(s) shall be retained in that category who has demonstrated greater competence.

Tenure and seniority entitlements will govern the transfer and dismissal of tenured teaching staff members affected by a reduction in force, except that, when two or more tenured teaching staff members within the same employment category affected by a reduction in force possess an identical seniority entitlement to that category, the teaching staff member(s) shall be retained in that category who has demonstrated greater competence.

The Superintendent shall collect and maintain the information requisite to the calculation of each tenured teaching staff member's seniority status. The Superintendent shall develop and maintain district seniority lists and shall recommend dismissals and transfers in a reduction in force in accordance with those lists. No seniority list shall be a public document or published in the absence of a reduction in force or reemployment from a preferred eligible list.

Teaching staff members affected by a reduction in force will be informed of their seniority status and of the effect of the reduction in force on their employment, as promptly as possible after the Board's action to abolish positions. Wherever possible, the Board will give sixty days notice of a pending dismissal. If notice cannot be given a full sixty days before the end of the employee's service, salary in lieu of notice will be given for the remaining notice period beyond the end of service.

Withholding an Increment

3152- WITHHOLDING AN INCREMENT

Advancements on the salary guide, including annual employment and adjustment increments, are not automatically granted and must be earned by satisfactory performance. Advancements require favorable evaluations of the employee's performance of assigned duties, a satisfactory attendance record, and adherence to the rules of this district and high standards of professional conduct.

The Board of Education may determine, by recorded roll call majority vote of the full membership and at any time prior to the commencement of the school year or contract year in which the employee's salary will vest, to withhold any or all of the increments indicated by the salary guide or by Board policy. In no case will the Board withhold a portion of an increment.

The Board shall, within ten days of its formal action to withhold an increment, give written notice to the affected employee of both the action and the reason or reasons for which it was taken.

The purpose of the Board in withholding increments is to improve the educational program and encourage the highest possible professional performance of its employees. Accordingly, all reasonable efforts will be made to inform employees of any deficiencies that may result in the withholding of an increment and to assist them in the correction of those deficiencies.

An increment withheld may be restored only by action of the Board. Nothing in this policy shall limit the right of a successor Board to restore an employee from whom an increment or increments have been withheld to that place on the salary guide he/she would have achieved had the increment or increments not been withheld.
