9150 SCHOOL VISITORS

The Board welcomes and encourages visits to school by parents or legal guardians, other adult residents of the community, and interested educators. But in order for the educational program to continue undisturbed when visitors are present and to prevent the intrusion of disruptive persons into the schools, it is necessary to invoke visitor controls.

The Superintendent and building principal have the authority to prohibit the entry of any person into a school of this district or to expel any person when there is reason to believe the presence of such person would be inimical to the good order of the school. If such an individual refuses to leave the school grounds or creates a disturbance, the Principal is authorized to request from the local law enforcement agency whatever assistance is required to remove the individual.
