none being a member of said Board or an employee of the School District, were present and acted as the election officers throughout the meeting, having been previously appointed to such offices by said Board, or, in the absence at the time of the opening of the meeting of the persons so appointed by said Board, appointed from among those present to fill any vacancies by the person who proclaimed the opening of the meeting.

The Secretary did present his records for inspection.

A printed report of said Board was not presented to each voter.

The Secretary did make a statement of the financial condition of the District.

The polls and election were then opened and votes were cast on the voting machines by all qualified voters present, resident in the School District and polling district. The voting continued until 9:00 p. m., the hour of closing stated in the meeting, and as much longer, as was necessary to enable all qualified voters present at said hour to cast their votes. During the voting period the election officers kept a poll list in which were recorded the names of each person voting.

Immediately after the closing of the polls, the election officers proceeded forthwith to count the votes recorded on the voting machines without delay or adjournment. The tallying and counting of votes were open and public. The proposal or proposals voted upon were set forth in full in the ballots and are the identical proposal or respective proposals stated in the notice of said meeting as previously posted and published.

The election officers kept a tally sheet of the votes as counted and the said Tally Sheet was signed by the Judge of Elections and Inspectors.

The total number of "military service ballots" received or counted was 0.

The total number of "civilian absentee ballots" received or counted was 21.

The total number of votes (including "military service ballots" and "civilian absentee ballots") cast was 3816.

The total number of votes (other than "military service ballots" and civilian absentee ballots") cast by persons for whom registration form was not found in the signature copy registers was 4.

The total number of irregular votes rejected was 70.

The following Proposal was voted upon and set forth in full on the voting machines and is the identical proposal stated in the notice of said election and meeting previously posted and published:

PROPOSAL
