## PUPILS

### PUPIL RECORDS

- A. Definitions
  - 1. "Access" means the right to view, take notes, and copy by hand or photo-reproduction.
  - 2. "Adult pupil" means a pupil enrolled or formerly enrolled in this district who is the subject of the record and is eighteen years of age or older or is an emancipated minor. The Superintendent may determine that a minor pupil is emancipated on the pupil's presentation of evidence indicating that he or she is financially independent.
  - 3. "Parent" means the natural or adoptive parent, custodial or noncustodial; legal guardian; foster parent; approved parent surrogate; or legal custodian of the pupil who is the subject of the record and includes only such persons for whom access is authorized at "Dla. In the event parental rights have been terminated or limited by a court of competent jurisdiction, the pupil's legal custodian must so notify the custodian of the pupil's file, by submission of appropriate legal documentation, in order that improper access to the pupil's records is not granted.
  - 4. "Pupil record" means any information in tangible form regarding an individual pupil enrolled or formerly enrolled in this district, regardless of its subject, source, or physical form, that is maintained for the purpose of review by a person other than the originator of the record. Information recorded by a teaching staff member solely to aid memory is not a pupil record for the purpose of this regulation; at the time such information is reviewed by another person, it becomes a pupil record.
- B. Authorized content of pupil records

A pupil's file may include only the following mandated and permitted records.
