

Policy

NO. 539

Board of Education Nutley

PUPILS

NEEDLESS PUBLIC LABELING

The Board directs that the names and other personally identifiable data concerning identified and handicapped children shall be kept confidential and shall not be included in the public acts and records of this district. Such names and data shall be reduced to code for inclusion in the public record. Further, the superintendent, administrators, faculty and other personnel, shall avoid unnecessary and needless public labeling of such students. This shall include the avoidance of public address announcements so designating students, any open identification of classrooms with signs so designating, or any item of open or general circulation which so designates an individual student or class.
