2. The school bus driver will participate in the drill.

4. The portion of the drill involving the use of the rear emergency door, which requires pupils to jump a thirty-inch drop, need not be performed by every pupil; a few pupils may demonstrate for the others.
5. The school bus driver or supervisor of the drill shall:
 - a. Describe and demonstrate the use of kick-out windows and split-sash windows;
 - b. Describe the location and use of triangular warning device and other emergency equipment;

- j. Tolerate no pupil misbehavior in the conduct of the drill; the failure of any pupil to follow directions must be reported to the principal.

B. Additional Precautions

1. A responsible student or bus attendant will be appointed to assist the school bus driver.
