PUPILS

SMOKING

The Board of Education recognizes that the use of tobacco presents a health hazard that can have serious implications both for the smoker and the nonsmoker and that smoking habits developed by the young may have lifelong deleterious consequences.

For purposes of this policy, "smoking" means the burning of a lighted cigar, cigarette, pipe or any other matter or substance that contains tobacco and the use of smokeless tobacco and snuff.

The Board prohibits smoking by pupils at any time in any school building or on any school grounds, at events sponsored by the Board away from school, and on any transportation vehicle supplied by the Board.

Notice that smoking is prohibited in school district buildings and on school grounds will be posted at each public entrance in accordance with law. The Principal of each school building is authorized to report violations, in accordance with law, to the Board of Health. Failure to report violations may subject the Principal to fines in accordance with N.J.S.A. 26:3D-20. The Building Principal will not be liable for a fine if he/she has taken reasonable steps to enforce the prohibition on smoking in school buildings or on school grounds. Pupils who violate the provisions of this policy shall be subject to appropriate disciplinary measures.

The Board directs that the health curriculum include instruction in the potential hazards of the use of tobacco. Staff members shall, by example and persuasion, make every reasonable effort to discourage pupils from developing the habit of smoking.
