 - (a) The findings of the assessment alone shall not prevent a student from attending school; and
 - (2) Cooperate with community agencies as defined in N.J.A.C. 6A:16-4.1(b) and juvenile justice officials in providing evaluation, referral, and continuity of care for alcohol or other drug abuse treatment.

 - (1) The findings of these additional evaluations alone shall not be used to prevent a student from attending school.

5535 PASSIVE BREATH ALCOHOL SENSOR DEVICE

The Board of Education recognizes ~~that~~ a student's abuse of harmful substances seriously impedes ~~that~~ a student's education and threatens the welfare of the entire school community. The Board is committed to the prevention of substance abuse and the rehabilitation of substance abusers by educational means, but will take additional necessary and appropriate steps to protect the school community from harm and from exposure to harmful substances.

In keeping with its commitment to protect all students and the school community from the harm of alcohol use, the Board of Education authorizes the use of a passive breath alcohol sensor device (PBASD) in certain circumstances. A PBASD enables school district staff to check an approximate alcohol level quickly and efficiently without requiring the student's active participation. A PBASD may be used in certain circumstances as defined in this Policy and as determined by the ~~Building~~ Principal or designee or the staff member(s) in charge of a school-related or school-sponsored event or activity. The purpose for using a PBASD is to protect students who may be under the influence of alcohol, other students, staff, and community members attending such events and to deter the use of alcohol by students.

The Board authorizes PBASD screening before, during, and after school activities/events including, but not limited to: dances, athletic events, proms, class trips, drama productions, graduation ceremonies, or school assemblies when the ~~Building~~ Principal or designee has reason to believe the use of alcohol by students may be present. When it is determined a PBASD will be used, a **random number sequence will be selected by the Principal or designee prior to the event to determine which students in line for entrance will be screened. For example, if the number five is selected every fifth student in line for entrance into the activity/event shall be screened. In the alternative, the Principal or designee may determine to screen every student in line for entrance into the activity/event.**

Written notice indicating the use of a PBASD will be displayed at the point of sale of a ticket for the activity/event or at the entrance of the activity/event if tickets are not required. Upon the purchase of a ticket to gain entry into an

activity/event or upon the entry of a student into an activity/event that does

{Optional

~~or the Building Principal or designee may determine to have students screened on a random basis (i.e. every fourth student entering an event).}~~

If the PBASD screening indicates the presence of alcohol on a student, **additional a second PBASD** screenings will be conducted. If **additional PBASD the second** screenings ~~indicates~~ **confirm** the presence of alcohol on a student, the matter shall be reported to the ~~Building~~ Principal or designee and the certified or noncertified school nurse, or the school physician according to the reporting, notification, and examination requirements of N.J.S.A. 18A:40A-12, N.J.A.C. 6A:16-4.3, and Policy and Regulation 5530 - Substance Abuse.

~~In addition, a PBASD may be used to screen a student upon a report to the Building Principal or designee, certified or noncertified school nurse, or the school physician if an educational staff member or other professional believes a student may be currently under the influence of alcohol on school property or at a school function provided an adult student and/or the student's parent/legal guardian consents to such screening. Notwithstanding the results of the PBASD screening under these circumstances, the Building Principal or designee must comply with the reporting, notification, and examination procedures of N.J.A.C. 6A:16-4.3 and Policy and Regulation 5530 - Substance Abuse.~~

A PBASD will only be used in accordance with the guidelines of this Policy. The ~~Building~~ Principal or designee shall be responsible for the proper training of school staff members in the use of the PBASD in accordance with the manufacturer's specifications.

5843 EXTENDED DAY

[See **POLICY ALERT No. 91**]

The Board of Education recognizes the needs of children who lack adult supervision outside the school day and directs the Superintendent to establish and implement an Extended Day Program for the care of such children in grades K-6.

The Board will provide suitable district facilities, staff, and supplies for the conduct of an Extended Day Program at 7 a.m. to the beginning of the school day and at the close of each school day to 6 p.m.

The program will be under the direct supervision of a certified teaching staff member employed by this district, who may be assisted by aides. Participating children will be offered constructive activities and proper supervision. No instruction will be offered; the Extended Day Program is not an extension of the academic school day and is not intended to serve the purpose of remedial education. While the general format of the extended day program will not offer instruction, enrichment may be offered at an additional cost, and requires students to register and sign up prior to the beginning of the program. Enrichment will be offered on a first come/first serve basis, and programs will be offered or cancelled based on enrollment.

The Extended Day Program is open to students enrolled in this school district provided both of the student's parent(s) or legal guardian(s) are employed, or the student's single parent(s) or legal guardian(s) is employed, during the hours during which the program is offered. Only duly registered children will be permitted to participate in the program. The Extended Day Program is not intended for the temporary or intermittent custodial care of children. A parent(s) or legal guardian(s) may register his/her child for the Extended Day Program at the school office by presenting a signed affidavit that because of the parent's or legal guardian's employment there is no responsible adult regularly at the child's home to care for the child. The affidavit will include the name, address, and telephone number of each parent or legal guardian's employer. The Board reserves the right to verify a parent or legal guardian affidavit.

In order to defray the costs of the Extended Day Program, such as additional salaries, supplies, facility operation, and additional insurance coverage, a fee schedule will be provided by the office of extended day by July 15th of each year.
