2025-2026 School Calendar

The calendar reflects 183 school days, having 3 snow days built-in. School will close for students on the 180th day of school, and teaching staff will work 181 days.

A determination will be made on April 17th 2026 regarding unused Snow Days.

- ❖ If all of the snow days are used, then the district will plan for June 18th to be a half day of instruction for students.
- ❖ If there is one unused snow day, the district will plan for the last day for students to be June 17th, and school will be closed for students on Thursday June 18th.
- ❖ If there are two unused snow days, the district will plan for the last day for students to be June 16th, and the district will close on Wednesday June 17th, and Thursday June 18th.
- ❖ If there are three unused snow days, the district will plan for the last day for students to be June 15th, and the district will close on Tuesday June 16th, Wednesday June 17th, and Thursday June 18th.

NHS Graduation will take place on Thursday June 18th.

The district will celebrate Juneteenth on the State of NJ approved observance day, Friday June 19th.

To support families celebrating religious holidays, and to encourage family time, the district will have No-Homework Days on: September 22nd and 24th, October 1st and 20th, and March 2nd and 3rd.

On No-Homework Days, teachers are asked to not require assignments to be due on the following school day, and to be mindful of our community celebrations.

Staff attendance will be mandatory if we need to use days during February or March/April Recess. With this advance notice, it would be advisable to make plans that can be altered without financial cost to you.

A standard school year calendar shall be 180 student days and 2 full-day Professional Development Days. Due to holiday schedules, for 25-26, there will be 1 full-day PD and an additional ½ day PD.
