2026-2027 School Calendar

The calendar reflects 183 school days, having 3 snow days built-in. School will close for students on the 180th day of school, and teaching staff will work 181 days.

A determination will be made on April 30th 2027 regarding unused Snow Days.

- ❖ If all of the snow days are used, then the district will plan for June 17th to be a half day of instruction for students.
- ❖ If there is one unused snow day, the district will plan for the last day for students to be June 16th, and school will be closed for students on Thursday June 17th.
- ❖ If there are two unused snow days, the district will plan for the last day for students to be June 16th, and the district will close on Friday June 11th, and Thursday June 17th.
- ❖ If there are three unused snow days, the district will plan for the last day for students to be June 16th, and the district will close on Friday June 4th, Friday June 11th, and Thursday June 17th.

NHS Graduation will take place on Thursday June 17th.

The district will celebrate Juneteenth on the State of NJ approved observance day, Friday June 18th.

To support families celebrating religious holidays, and to encourage family time, the district will have No-Homework Days on: September 11th and 18th, October 19th, and March 1st and 2nd, and April 21st and 22nd.

On No-Homework Days, teachers are asked to not require assignments to be due on the following school day, and to be mindful of our community celebrations.

Staff attendance will be mandatory if we need to use days during March/April Recess. With this advance notice, it would be advisable to make plans that can be altered without financial cost to you.

A standard school year calendar shall be 180 student days and 2 full-day Professional Development Days. Due to holiday schedules, for 26-27, there will be 1 full-day PD and an additional ½ day PD.
