of what is going on in these school districts. Mr. Malanga suggested that the Board think of doing something similar in Nutley.

Mr. Tangorra expressed his displeasure with regard to an article in the Star Ledger whereby the Department of Education withdrew New Jersey school districts from participation in the National Secondary Recognition Program. Mrs. Rabinowitz commented that at least the richness of the program at Franklin School had been recognized.

Mr. Tangorra commented that the bill had been passed by the legislature allowing boards of education to form self-insurance pools.

Mr. Perez stated that he would like to have an evaluation of the music department and how Mr. Kohere has been handling things, to which Dr. Fadule replied.

Mr. Malanga stated that many parents in the Radcliffe School district are unhappy that their children do not have any place to play basketball and asked Mr. Ramsland to check into the feasibility of putting a blacktopped area on the upper playground at Radcliffe School.

ADJOURNMENT:

There being no further business to come before the Board, on motion made by Mr. Tangorra, seconded by Mrs. Imhoff, the meeting was adjourned at 9:10 p.m.
