COMMUNICATIONS:

Mr. Ramsland presented and read the following communications:

1. A letter from Tommye Anne Violette:

"I just returned from vacation and found the Nutley Sun full of articles on the [REDACTED] situation.

"I applaud your action. I have felt for some time that [REDACTED] [REDACTED] was a serious hazard to the [REDACTED] [REDACTED] and the image of Nutley High sports.

"I have hesitated to speak as I have another son coming up in high school and felt if I said anything he would be penalized. That is not a problem now as he has elected not to try out for the sport because of the present coach.

"I have always felt that [REDACTED] was a very destructive person to the boys that played for him. As any parent of a boy that was on that team of seniors in 1981 can tell you. You were so chilled by the language and facial contortions that you could not sit behind the team bench at any game. I remember the abuse he gave one boy at the away Montclair game that year, it was all his parents could do to stay in their seats.

"I think that you will find that the students that defended him were the 'Chosen' one of each years team. [REDACTED] had one boy each year that he seemed to relate to. I'm sure that if you polled the parents of the team of '81 as to their approval of the coach, you would find a very negative response.

"As to his record of games won and lost -- his most outstanding year was probably '81 and that year he was so successful because of the talent he had on the team. He had three players [REDACTED] quite unusual for a Nutley team. I felt that year that the team would have probably been more successful if they were coaching themselves.

"Again I commend the board for doing a job that seriously needed doing."

2. A letter from Donald Politi, President, Parent-Teacher Association, Radcliffe School:

"Thank you for taking the time to meet with the Radcliffe School P.T.A. last evening to review the proposed fence being constructed to protect the busses and air conditioning unit.

"I believe the P.T.A. expressed its concerns about the fence and we believe it will be in the best interests of the school and the Board of Education to run the fence south at the yellow walk area rather than cross that student safety area. This will provide the needed protection for the busses, eliminate jumping the fence from the east wing, and continue to maintain the yellow walkway for the safety of our children.

"We hope you will express these concerns to the Board of Education and once again we thank you for your interest in this matter."

#### SECRETARY'S REPORT:

Mr. Ramsland presented and read the following report:

"Attached hereto is my report on the cost to the Board of theft, glass breakage, and other vandalism during the just concluded school year, 1982-83, together with a comparison with 1981-82.

"The purchasers of the former Special Education property on Washington Avenue have sold two of the nine lots into which the property was subdivided. We have therefore received \$49,279.32 of the balance owed us. This, of course, is in addition to the \$54,300 down payment received at the time of the closing.

"Glass replacement during this past month has amounted to 27 pieces, 19 of these at the high school and 8 at Washington. Other carpenter and general repair and improvement projects numbered 15. Plumbing and heating repairs and replacements amounted to 14 separate projects.

"Fire drills held during the months of June and July were as follows:

June 17	Radcliffe School	2:00 p.m.	1 min. 20 secs.
July 19	Yantacaw School	9:45 a.m.	1 min. 20 secs."

#### SUPERINTENDENT'S REPORT:

Dr. Fadule presented and read the following report:

"This has been an active summer with most of central office time being devoted to curriculum and personnel items. As of this time the following teaching positions are still open:

Teacher of the Handicapped  
High School Guidance  
High School Science  
Franklin School Science  
Franklin School English  
Elementary Art

"Elsewhere in the district the Summer Enrichment Program and the Summer School are in their final weeks."

Dr. Fadule read the following letter to Mr. Tangorra from Ralph F. D'Andrea, Lincoln School Principal:

"I would like to commend you, Dr. Fadule, and the Board of Education for their wisdom in selecting Mr. John Jacone to fill in for me at Lincoln School. Although I've been on a sick leave since January 11, 1983, I have been in constant touch with Lincoln School teachers, parents, and youngsters. Everyone has had high praise for the job that Mr. Jacone has done. The school under his able guidance has run smoothly and efficiently.

"Mr. Jacone came to Lincoln School lacking elementary administrative experience, but demonstrated immediately that he could make the proper decisions and assume the responsibilities necessary to run a school in a capable manner and with a minimum of disruption.

"We in Nutley are fortunate to have an administrator of this caliber and we at Lincoln have profited by having had Mr. Jacone as our leader.

"Please make this part of the records at a Board meeting."
