2. A letter from Donald Politi, President, Radcliffe School P.T.A.:

"On behalf of the Executive Board of the Radcliffe P.T.A. thank you for attending the P.T.A. meeting on May 18. Please extend our appreciation to Mr. Malanga, Mr. Kucinski and Mr. Piro for attending also.

"As we discussed at the meeting, the Radcliffe parents have several concerns about the proposed move of the three large buses to Radcliffe. Our major concerns are the safety of the children and fumes from the buses near the classrooms. We believe many of the concerns voiced by the members in attendance are valid concerns and we request you convey them to the members of the board of education.

"The Radcliffe School P.T.A. is opposed to the proposal of parking the three large buses at Radcliffe and request that alternative plans be made.

"Thank you for your consideration in this matter."

REPORTS OF COMMITTEES:

Mr. Malanga announced that the Belleville-Nutley football game would be played on Thanksgiving Day this year. 5/21/84

play on that date. It is now tentatively scheduled for Monday afternoon, October 8, Columbus Day, but Mr. Malanga stressed that the date is not definite at this point.

Mr. Malanga reported that the athletic director had requested the Committee to consider hiring an athletic trainer, but the Committee would like to see a job description, and this item will be brought back to the Athletic Committee for further discussion.

The Athletic Committee felt that new wrestling mats should be purchased for the high school gym because of a safety factor.

Dr. Baratta, Chairman of the Personnel Committee, stated that the Committee had also met on May 17, and two items were on the agenda. They discussed short and long range plans with regard to the projected declining enrollments, but there is no recommendation at this time. Several personnel items were reviewed, and one of the items appears on tonight's agenda.

#### HEARING OF CITIZENS:

Mr. Michael Duffy, 272 Kingsland Street, expressed his dismay at the possibility of a reduction in staff in the arts programs in Nutley. Dr. Fadule replied that any decisions would be fiscally responsible and educationally sound. He reiterated that he considers the music program a very important one.

Mr. Mario DiMaggio, 749 Centre Street, asked questions with regard to the \$63,000 listed in the Capital Outlay account which is slated to be used for the proposed refreshment stand and rest room facility at the Park Oval, to which Mr. Ramsland replied. Mr. DiMaggio then questioned if there are any plans to upgrade the Radcliffe School playground, to which Mr. Ramsland replied that a considerable amount of work will be done there this summer.

Mrs. Pat Lepore, 41 Howard Place, questioned what kinds of summer school programs were available for students, to which Dr. Fadule replied that for grades 7 - 12, summer school is for credit for courses which students had failed. There is a summer enrichment program for grades 1 - 6 and sometimes grades 7 and 8 for youngsters who are trying to improve themselves. This program is not graded. Mrs. Lepore asked if there is a summer program for the Vector children, to which Dr. Fadule replied in the negative.

NEW BUSINESS:

Dr. Fadule stated that with regard to the summer programs, he would like to add that there is a summer music program run by Mr. Hrbek,

Mr. Malanga stated that he wished to make the Board aware of his serious concern with regard to the Chestnut Street entrance and exit from Radcliffe School. He feels that if possible a crossing guard should be stationed at that driveway for the safety of the children as the traffic is very heavy at that location. Mr. Restaino stated that this problem would be discussed in the near future.

Mr. Malanga commented that he had heard many comments concerning the Radcliffe School playground over the past few days, and wanted to stress that the playground will be improved this summer.

Mr. Rusignuolo made the Board aware of a problem with youngsters congregating in the rear of the Franklin School and on the playground, and asked that this problem also be discussed in the near future.

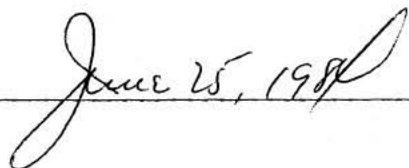

Mr. Malanga questioned if there are plans to recognize the accomplishments of the youngsters in grades 1 - 8 for their excellent results regarding the Nutley Achievement Tests, to which Dr. Fadule replied in the affirmative.
