SECRETARY'S REPORT:

In the absence of Mr. Ramsland, Mrs. Simons presented and read the following report:

"My sincere congratulations to Mr. Restaino, Mr. Piro, and Mr. Hermo on their re-election to the Board of Education for another three-year term. This victory was no less notable because of the lack of serious opposition, for I perceive that instead of 'selling' yourselves in a two-month campaign, you demonstrated your leadership qualities over the entire term which you have tonight just completed. No one, not even Mr. DeCrocce, who attracted a creditable vote, came forward to say 'I can do it better.'

"I would also like to recognize with sincere gratitude all the fine Nutley citizens who gave willingly of their time and talent to run the election on April 15. It has often been noted that Nutley is a unique town. Nowhere is this quality exemplified more clearly than in the volunteer spirit of its citizens. Other municipalities must hire and pay poll workers. Ours do it out of a sincere concern for our school system. Many thanks to one and all.

4/28/86

"Finally, I would like to express my deep appreciation to all the members of my staff who worked diligently behind the scenes on the budget material and the election preparations. I'm tempted to wonder whether my absence was a liability or an asset.

"In the maintenance department, the following projects have been completed during the past month:

Glass Replacement	15
Other Carpentry and General	54
Plumbing and Heating	36
