COMMITTEE REPORTS:

Mrs. Goodson disseminated copies of public relations pieces she had received from two schools, calling particular attention to a questionnaire sent out by the Bridgewater-Raritan School District which she felt was an interesting piece.

Mr. Rusignuolo mentioned that the QEA Committee of the Essex County School Boards Association had drafted a response to the Governor, and he asked that any comments on this be sent in by May 15.

HEARING OF CITIZENS (Resolutions Only):

Mr. Sig Bogdanowicz, 208 Alexander Avenue, indicated that it was difficult for citizens attending Board meetings to have time to study the agenda and make comments concerning resolutions at this point in the meeting. He also made comments regarding resolution #17, Asbestos Bids, indicating that he thought all asbestos work had been completed. Mr. Sincaglia responded that approximately one-half the money approved in the referendum last year was for asbestos-related purposes, and there was still a considerable amount of work to be done.

Mr. Rusignuolo questioned when the agendas would be available for review by the public. Mr. Sincaglia replied that they would be available during the day on Monday prior to the evening's meeting.

Mrs. Scheckel indicated that it was not feasible to move the location on the agenda of Hearing of Citizens (Resolutions Only) since the purpose of its present location is to allow citizens to express their opinions and concerns prior to the vote on any particular resolution since there would be a possibility that the vote could change because of the expression of the concerns.

Mr. Donald Heerwig, 470 Chestnut Street, asked questions about resolution #16, Transfer of Funds, regarding account numbers, to which Mr. Sincaglia replied. Mr. Heerwig also asked a question concerning the procedures involved in the rental of school facilities as mentioned in Schedule B, to which Mr. Sincaglia responded.
