BE IT FURTHER RESOLVED, That the results of the discussions will be made public by inclusion on the agenda of a subsequent meeting of the Board of Education or when the reasons for discussing such matters in closed session no longer exist.

The resolution was moved by Mr. Restaino, seconded by Mrs. Alamo and unanimously approved by the Board.

RECESS MEETING

The meeting recessed at 5:33 p.m.

RESUME MEETING

The meeting resumed at 8:50 p.m.

HEARING OF CITIZENS (Agenda Items Only)

Peg Zitkokurman, 25 Oakridge Avenue, said that she and a group of parents that were at the meeting were never under the impression that the Principal was resigning. She said it was made very clear that the Principal was being forced out and that her contract was not being renewed. She added that she holds the Board of Education responsible for what happened in the past at Washington School and now that they finally hired a principal that is doing a tremendous job they cannot understand why her contract would not be renewed.

Mr. Cafone said that Dr. Boyd gave the Board a letter of resignation and the Board will move on accepting her resignation.

Mrs. Zitkokurman said she wanted it to go on record as stating she did not believe that this was the case.

Angie Chamberlain, 74 Nutley Avenue, said that she had the pleasure of working with Dr. Boyd for the last two years and she cannot understand why Dr. Boyd would submit her resignation when she truly loves Washington School. She stated that she feels there is something behind why Dr. Boyd would resign. She asked the Board for feedback on why this women would resign suddenly.

Mr. Cafone said that it might not be the answer that the parent's want to hear but in matters of personnel the Board is not allowed to discuss these issues in public.

May 13, 2002
Mrs. Chamberlain asked if the Board individually will contact her in regard to her resignation. Mr. Cafone responded that they will not.

Mary Ellen Matarazzo, 79 Nutley Avenue, said she believes that Dr. Boyd submitted her resignation but the parents were all under the impression that this was not the case. Mrs. Matarazzo referred to a recent situation where she was on a committee to approve acts for the senior fashion show and the committee felt that one act was inappropriate but the committee was strong-armed into giving approval. She questioned if Dr. Boyd was strong-armed into giving her resignation.

Mr. Cafone said that this matter cannot be discussed publicly.

Carmela Rizzi, 84 St. Mary’s Place, said the parents know that their Principal was forced to resign and asked why their petitions and letters were never taken into consideration. She stated that it is their right to have the best that they can get here in the town.

Mr. Cafone said that the Board received all the information that was forwarded to them, but it is immaterial at this point because Dr. Boyd handed in her resignation.

Mrs. Rizzi stated that she feels that as parents they have no voice in their child’s education.

Maryann Bonniello, 103 Myrtle Avenue, stated that parents vote and they will remember what has taken place.

Bonnie Carell, 8 Witherspoon Street, stated that Dr. Boyd is a wonderful Principal and she thinks it is wrong that she was forced to resign.

Gina Marie Russell, 27 Freedman Place, asked if the Board decided to accept Dr. Boyd’s resignation before the meeting tonight.

Mr. Cafone said the letter of resignation was not received until today.

Mrs. Russell asked if her letter of resignation could be refused by the Board being that there are parents in her support.

Mr. Frank Pomaco, Legal Advisor for the Board, explained that the letter of resignation was submitted and it is up to the Board to vote in public session on that letter of resignation this evening.

Mrs. Russell asked if there is a possibility that the Board vote not to accept Dr. Boyd’s resignation.

Mr. Cafone said that theoretically it is a possibility.

Mrs. Russell appealed to the Board to have an open mind when going into the meeting and consider the letters from supportive parents for Dr. Boyd.

Mrs. Nancy Kennedy, 249 Walnut Street, asked the Board to consider what Mrs. Russell said and not consider Dr. Boyd’s resignation.
She said to accept the resignation would be a tremendous mistake to this town. She added that most of the parents present have never been at a Board meeting before because they never had a reason but they felt it was necessary to be present tonight.

Mr. Cafone reiterated the fact that under the law the Board it not allowed to publicly discuss personnel matters. He noted that the person that is involved in the resolution does have the right to come here and ask that this matter be publicly discussed. He noted that in this particular case the person involved chose not to have this matter discussed publicly.

Mrs. Kennedy said that she does not know the procedure the Board uses when they are unhappy with an employee, but she knows that in business anyone who has a problem the employer gives that person time to correct the problem and work towards a reconciliation. She added that maybe the Board's decision is the correct one, but the parents feel that they are ignorant of all the facts.

Mr. Cafone said it is not a comfortable situation telling the parents that the matter cannot be discussed, but that is what the law states.

Barbara Ambrosio, 38 Grant Avenue, asked if Dr. Boyd was to come and withdraw her resignation would it still be a resolution.

Mr. Cafone said that the Board attorney advises that the question is a hypothetical situation and the Board has to address what is before them.

Carolyn Vangieri Drago, 65 Oakridge Avenue, asked if the letters that were sent to the Board in support of Dr. Boyd were ever looked at and considered. She said that all the parents present wrote letters saying the same thing about how they love Dr. Boyd. She added that she does not understand why and would like an answer. She said that she understands that the Board is uncomfortable not being able to discuss this but she added that the parents are very uncomfortable with this decision.

Mr. Cafone stated that the Board, Superintendent and Central Administration only want what is best for the children.

Mrs. Zitkokurman asked if there is a possibility that the resolution for Dr. Boyd be tabled and not voted on at this Board meeting. She added that if Dr. Boyd wants to resign they certainly do not want to step in her way but this gives the parents more time to be informed.

Mr. Cafone said that it was a Special meeting and it was held specifically for the items listed on the agenda. He stated that any item listed on the agenda for a Special meeting cannot be removed because that is the purpose for having the Special meeting.

Mrs. Zitkokurman said the parents are questioning how that letter of resignation was elicited from her. She added that they would like to have the opportunity to ask Dr. Boyd before it is a done deal.

Mr. Pomaco, Board attorney, said that this Board has an obligation to act as a body on the letter of resignation from Dr. Boyd this evening. He stated that this is a personnel matter and this Board is not allowed by law to discuss a personnel matter in public. He added that this is why the President has avoided getting into particulars since it is a personnel issue and not permissible to be discussed by law.
