Approval of Minutes

Trustee Ferraro moved, Trustee Carnicella seconded, and the following Board minutes were unanimously approved.

Open Public Meeting – August 23, 2021

Reports as follows:

1. Superintendent's Report

Dr. Glazer

Dr. Glazer welcomed everyone back to a new school year! Dr. Glazer stated the district is in-person, with full days, before and after-care, lunch, and athletics. We also have had student orientations, staff return, a band breakfast, and Friday night Fireworks. Dr. Glazer also said this week is our 48th annual Rotary New teacher dinner and the 20th annual Walker-thon, and next week is Back to school night. Dr. Glazer also stated we are holding our annual Jaycees dinner honoring our own Helen Doyle Marino as the Educator of the year, BOE member Sal Balsamo as the Young Man of the Year, JD Vick for his community service and Lisa Danchak-Martin's husband Mike Martin as the Business Man of the year. Dr. Glazer also mentioned that while we are still going to be outside under the tents for the New Teacher dinner, and Back to School nights will be virtual, it has been a wonderful re-opening. Dr. Glazer said she has been in each building, and the children are happy and the staff are glad to be back with their students. Dr. Glazer said last Tuesday she got calls that lunches were cold and lunches were late at some schools. Dr. Glazer said she spoke to Pomptonian Food Service Tuesday and Wednesday and David DiPisa met with them on Thursday and the lunch issues were resolved. She also said we had some Hurricane Ida Flood damage to clean up. Dr. Glazer commended the staff and stated they are second to none and resolved things immediately! Dr. Glazer also commended our Custodial, Maintenance & Grounds staff who stayed long after their shifts were over to clear flooding in our schools. Tim Koster our Supervisor of Custodial, Maintenance & Grounds, who came back at 11:00pm to open the middle school gym to those displaced by the flood also stayed overnight with the citizens at the middle school. Tim Koster, then continued working the next day to get schools ready for the first day of school. Dr. Glazer also commended the entire team and David DiPisa who gave up their Labor Day weekend to make sure tents, tables, air conditioners, and air purifiers were ready for the first day of school. Dr. Glazer said their commitment to the schools and Nutley is above and beyond and they are what makes the rest of us look good, and the district is grateful for your efforts and your

September 20, 2021

dedication to the students. Dr. Glazer said many citizens have reached out to her regarding the article in the Star Ledger reporting that 1 in 330 NJ residents have died from COVID. She has also heard from those concerned that Nutley has logged more than 3,000 positive cases and 68 deaths since the start of the Pandemic, and 90 new cases since September 1st and they fear the re-closing of schools. However, Dr. Glazer said that of those 90 positive cases, 18 were individuals in the Nutley Public Schools, 34 individuals have had to quarantine for travel symptoms or exposure and based on the Road Forward guidance updated August 31st for masking and social distancing we have managed very well. Dr. Glazer is hopeful that as we move into October we will be able to resume having some visitors in the buildings for lunch duty, resume using the lockers, and can begin holding some rehearsals and events indoors following the health and safety protocols. Dr. Glazer said the Nutley School District will be hosting vaccine Clinics with our Hackensack Partners at Mountainside Hospital beginning this week for staff and eligible students, and will also do an in-district clinic the week of October 4th. Dr. Glazer said additionally we will begin twice per week testing for unvaccinated staff following Governor Murphy's mandate beginning October 18th.

2. Assistant Superintendent's Report

Mr. Bania

Mr. Bania said the ESSER grant is being finalized for submission. Throughout the summer and early fall, over 80 window air conditioning units, 300 air purifiers, as well as repair and replacement of other HVAC systems have been targeted towards the grant. Mr. Bania said there are minimal HVAC concerns around the district that are continuing to be addressed through the ESSER grant. Mr. Bania stated the series of grants were used to fund our summer strategies programs, additional school year strategies, staff and supplies, as well as literacy professional development. Janine Gambaro, our newly appointed literacy coach, has been conducting walkthroughs with Brooke Benavides to get to know teachers and acclimate herself to the needs of the ELA program. Mr. Bania explained with support of these funds, we are excited to extend foundations to grade 3. Mr. Bania stated at the elementary level, our Basic Skills Strategies teachers are completing their data review and will be inviting students to the strategies program during the first week of October. This year, the strategies program is introducing the Math Bridges program designed to engage students in Math. Mr. Bania said the district is preparing to administer the Start Strong Assessment to students in grades 4-8, as well as Math, ELA, and science in the high school setting. These assessments are required by the NJDOE and measures standard skills from the previous year's grade level. Mr. Bania stated that a communication has gone out on September 20th highlighting specific testing dates for elementary, middle, and high school students. Mr. Bania said the newly approved curriculum is being piloted by teachers in social studies, elementary health, and fine and performing arts. Mr. Bania concluded with the quarantining requirements for students.

3. Board Secretary's Report

Mr. DiPisa

Mr. DiPisa thanked the Board and Central Office for their hard work over the past month. Mr. DiPisa also thanked the Custodian, Maintenance & Grounds staff, especially Tim Koster and Steve Farese, for their hard work on Labor Day weekend to ensure all buildings were ready for the first day of school. Mr. DiPisa said the outstanding air conditioning items are being addressed on a daily basis. Mr. DiPisa concluded by stating he met with Pomptonian Food Service last week to replace the milk vendor and address the issues of cold lunches; the district is ordering five food warmers and 20 heat bags to resolve this issue.

4. Director of Buildings & Grounds

Mr. Parigi

Mr. Parigi said the opening of school was a huge success and thanked his staff for all their hard work throughout the summer to get the schools ready for the first day. Mr. Parigi read an update regarding Hurricane IDA. Mr. Parigi stated the schools had flood damage in room 110 in Washington School and B11 at Lincoln School and all repairs were done in-house and during off hours not to disrupt instructional time. Mr. Parigi also said the schools had several small roof leaks which have been repaired and also there were several trees that sustained damage from the storm and these trees have been removed. Mr. Parigi said he opened the Middle School at the request of the Nutley Health Department to house displaced residents during Hurricane IDA and the custodial staff was called into work at 11:30pm to the Middle School and worked through the night assisting residents. Mr. Parigi said Hodges Party Rentals installed tents at all five elementary schools and the 125 picnic tables purchased by Nutley Schools are in place under each tent. Mr. Parigi said the Custodial, Maintenance & Grounds staff also assisted the Nutley Parks Department with the town fireworks celebration. Mr. Parigi concluded by stating fall sports have begun and the Custodial, Maintenance & Grounds staff is preparing for Friday night's home football game.

Committee Reports

Administrative Committee – *The Committee met on September 14, 2021*

Mr. Balsamo stated following the Administrative Committee discussions in August and Dr. Glazer's announcement at the August Board of Education meeting, Nutley is returning to offering three levels of athletics. If there is not enough participation to field three levels of teams for a particular sport we will continue with Varsity and sub-Varsity, in those sports.

Athletic Director, Mr. Piro detailed participation numbers, and answered questions regarding athletic philosophy. Mr. Bania reviewed Policy 9700, Special Interest Groups for Committee input, prior to the policy being on the agenda tonight for first reading.

Dr. Glazer reviewed the quarantine and testing mandates from the state, and impact from the federal government. The district will be scheduling vaccine clinics, and providing testing information for non-vaccinated staff prior to the October 18, 2021 mandate deadline.

September 20, 2021

Nutley Board of Education

Finance Committee – *The Committee met on September 14, 2021*

Mr. Ferraro said Alexis Goldman from Solutions Architecture presented an update on the Yantacaw Secure Vestibule Bid and NHS Media Center proposed renovation options. The committee discussed the installation of lights at the Oval, verifying the tax rates after preparation of the 2022-2023 budget and investigating the potential of leasing St. Valentines School in Bloomfield. Mr. DiPisa distributed the draft agenda resolutions and confirmed IMAC was to be placed on the agenda for approval.

Mr. Bania reviewed policy 9700 “Special Interest Groups” as requested by the policy committee to be reviewed with all Board committees.

Dr. Glazer discussed the quarantine and test mandates and the proposed merit goals for central office administration.

Mr. Parigi reviewed the summer projects and acknowledged the work of all Custodial, Maintenance & Grounds employees.

Academic Committee – *The Committee met on September 15, 2021*

Mrs. Danchak-Martin said the academic committee met on September 15th, virtually at 5pm. In attendance was Dr. Glazer, Mrs. Loconsolo, Mrs. Danchak-Martin, Mrs. Quirk, and Mr. Bania. Mr. Bania discussed the Professional Development Plan. This plan has been developed in consultation with the Local Professional Development Committee, and will be a resolution on the board agenda. Dr. Glazer updated the committee with the vaccination and testing mandates and guidelines. Dr. Glazer also provided next steps in these areas. Mrs. Loconsolo provided an update for expectations of learning for quarantined students. Mr. Bania provided an update to the District Evaluation Advisory Committee. The committee met on September 8th, and discussed evaluation data. NJDOE evaluation guidance and the evaluation process has started in district with initial conferences for certified staff members. Mr. Bania advised the committee of a preliminary request from the athletic department for an out of state softball trip this spring. The committee will invite Mr. Piro and Coach Zullo to the October committee meeting to discuss. Mr. Bania shared the draft plans for the library project. Dr. Glazer also discussed other facility projects, including lights for the oval. Dr. Glazer reviewed central office merit goals. Mr. Bania shared a recommendation for the scheduling of science labs with social distancing guidelines and the committee provided feedback. Mrs. Loconsolo and Mr. Bania provided an update on field trip/student teachers/and professional development resolutions for the board agenda. The next Academic committee meeting will be held on Wednesday, October 13, 2021.

Policy Committee – *The Committee met on September 15, 2021*

Mrs. Quirk said the Policy committee met at approximately 6pm virtually on September 15th, 2021. In attendance was Dr. Glazer, Ms. Loconsolo, Mrs. Danchak Martin, Mrs. Quirk, Mr. Viemeister, and Mr. Bania. The committee reviewed Policy 1648.11 and the Appendices pertaining to “The Road Forward” guidance. The committee reviewed policies in the areas of faculty dress and grooming, fundraising, student eligibility, federal awarded funds, eye protection, and school nutrition programs. The policy committee would like to thank Dave DiPisa, Helen Doyle-Marino, Joe Materia, Natty Ferrara, and Jean Boyle for their review and feedback. The committee recommended fifteen policies for first reading, one policy for emergency adoption. The next policy committee meeting will take place on Wednesday, October 13th.

PUBLIC COMMENT
COVID CASE IN HIGH SCHOOL
Sent: 9/11/2021

Hello All,

I received a letter that one of my children was exposed to a child on the 7th and 8th. I'm not too concerned since both my children; husband and I are vaccinated. However. The letter was not informative. I understand the child's name cannot be disclosed, but the classroom can and would be helpful for parents. The other question I have is that the unvaccinated exposed should quarantine for 14 days and get a PCR swab. This is according to the CDC guidelines. Although children are masked in classrooms and 3 ft apart. They are packed in the hallways and stairwells trying to get to their classes and out for lunch. I certainly don't want to see a class or school get shut down but perhaps having unvaccinated quarantine or get tested might assure and limit any chance of spread. Thank you for hearing me out.

Best Regards
Deidre DeVito

PUBLIC COMMENT
A COVID NURSE SUPPORTING THE MASK MANDATE
SENT: 9/20/21

Dr. Glazer and the BOE,

My name is Jacky Daly. I live at 15 Stewart Ave in Nutley. This email and comments are intended for the meeting that is held on September 20,2021.

I hope this email finds you well. I am writing this, not only as a mother of two Nutley Public School children, but as a registered nurse. In March of 2020, New Jersey received news of its first COVID-19 case. That case was a young man from Fort Lee. He was hospitalized at Hackensack University Medical Center (which is public knowledge) and I cared for him as one of his nurses. From that day, until this very day, I have cared for COVID patients. 100's of them. Young, old, and all walks of life. Some were completely healthy prior, and some not so much. I have held the hands of patients as they died of COVID. I have had to watch people die. I've had

September 20, 2021

to comfort parents, daughters, sons, siblings. It's a mentally and physically exhausting task. I wore an N95 and full PPE in every room during patient care. Our units had negative pressure rooms to keep the covid from traveling through the hospital. Even still, we wore regular surgical masks in every other area of the hospital. It was mandated. We wore them in break rooms, in offices. Everywhere. We needed to protect ourselves. The hospitals wanted us protected. I want the same for my children. I want the same for all of our children. Although it's difficult to relinquish control of any aspect of our children's lives, this is only for their benefit. I know other parents want the choice. My fear is that their choice is the wrong choice. If they are fighting so hard for the choice, it is because they don't want to follow the one made for them. Masks are crucial. No one stated they are fail proof, but they have been scientifically proven to provide increased protection and why wouldn't we want that? If masks protected the wearer of the mask, I think this conversation would go very differently for many. But we have to rely on others to keep our children safe, and that is scary when the other don't want to comply. I did not feel the need to attend the previous board meeting, because I didn't believe the BOE would entertain something that would jeopardize the health and well being of the community. I will not be attending the meeting tonight, because I am choosing to stay safe, social distance and mitigate spread. I hope all those that attend wear masks and stay safe. I absolutely do not support sending a letter to the governor disputing the mandate, requesting an exemption from the mandate, or anything other than a full support for the mandate. I beg you as a mother and a member of the healthcare community to please comply with the mask mandate so we can move forward from this terrible virus.

Thank You,
Jacky Daly

PUBLIC COMMENT
SENT: 9/20/21

Good afternoon,
My name is Paula Gigante. I live at 7 Burnett Place. These comments are for the September 20, 2021 Board meeting. I am unable to attend today's board meeting due to work constraints. However, I wanted to ensure that my family and I are included in the call to support the Governor's mask mandate. I have 3 children in the Nutley public schools, one of which, is immunocompromised. She depends on her community to wear their masks so that she can go to school and have a normal life. The wearing of masks in the classroom significantly lowers the virus load that may be in the room. Of course, a mask is not 100%, but time after time, studies have shown that they work! Please follow the science! One of the board members last meeting mentioned asthma as a reason for not wearing a mask. Mr.

September 20, 2021

Reilly, do you know what covid would do to the lungs of a child that suffers from asthma? It could potentially land that child in the ICU. In speaking to my daughter's specialists, the message is loud and clear. Masks are the best way to keep our children safe. We want schools to stay open. Ensuring that every child and staff member wears a mask is the way to do that.

Please abide by the executive order!

Thank you!

Paula Gigante

PUBLIC COMMENT
MASK MANDATE
SENT:9/20/21

My name is Kate Oldak and I live at 132 Oak Ridge Ave. in Nutley.

These comments are for the September 20, 2021 Board of Education Meeting.

I am unable to attend tonight's Board of Education meeting so would like my comments read.

I was not at the previous Board of Education meeting because I did not think it was necessary for parents

to come and defend a mandate from the Governor. I would think a mandate from the Governor would just be followed and

parents would not need to come and speak in support of what is mandated. Unfortunately, it seems like the Board of Education

listened to small number of parents who oppose the Mask Mandate and took the parents not speaking up or showing up who support it as

not wanting it to continue. This is not the case. I do not support any letter from the BOE to the Governor to request lifting the mask

mandate because that does not represent my child who is able to be vaccinated yet, best interests. I believe the Nutley School System

should continue to follow the Governor's mandate on mask wearing. It is a small way we can keep our unvaccinated students safe and

how we can keep our schools open.

Thank you.

PUBLIC COMMENT
SEPT 20 2021 MEETING
SENT: 9/20/21

Dear Dr. Glazer, Mr. Bania, Mr. Kucincki, and Members of the BOE,
I ask that this be read into public comments for the September 20, 2021 Nutley BOE meeting as per the public notice. I support the Governor's mask mandate and I do not support the BOE sending any letter asking that the Governor lift the mask mandate. I also do not support any letter sent to the Governor that simply expresses that there is a division in this town over masking. There is truly no point to sending such a letter and there are many other issues would be a better use of time.

I am choosing to write in rather than show up in person because it is the safest option for my family. I have a child who is not yet eligible for vaccination, and our family chooses many mitigation strategies to keep him safer. One of them is reducing time spent indoors in spaces where people's vaccination status is unknown and where masking compliance is lacking. From the last few BOE meetings, there were many attendees who visibly and vocally objected to the requirement to wear masks in the school building. The microphone into which every unmasked speaker spoke was also not sanitized after every person. The decorum at the last few BOE meetings has also been appalling. The mob mentality has made many who would have spoken up at the meeting unwilling to because they did not feel safe to have a dissenting opinion. This does not create a safe environment where parents felt comfortable speaking up. If BOE meetings has been conducted in a safer manner there might have more members of the public comfortable attending meetings. Parents and citizens who support the mask mandate were told that they should have shown up at the last meeting to support the Governor's mask mandate. Why would there be a need to show up to support a mandate, which keeps our kids safer and keeps our schools open, that is already in existence? I would be disappointed by any BOE member that signs a letter to the Governor either asking for the mask mandate to be lifted or even a letter just to inform of the differing views of the community. Either option would make the township of Nutley look extremely foolish.

PUBLIC COMMENT
PETITION: THE NUTLEY TOWNSHIP BOARD OF EDUCATION SHOULD SUPPORT THE NJ STATE MASK MANDATE IN SCHOOLS INFO

September 20, 2021

***Nutley Board of Education
Public Meeting on September 20, 2021***

SENT: 9/20/21

To the Nutley Board of Education:

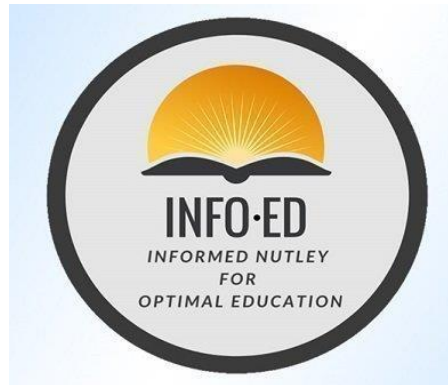

Attached is the copy of a petition that will be submitted to the Board at the Monday, September 20, 2021 meeting regarding Nutley residents' support for the NJ School Mask Mandate, and the Board's proposed letter in opposition.

Thank you for your time and attention to this matter.

Sincerely,
Eileen Dalton

Petition:

The Nutley Township Board of Education Should Support the NJ State Mask Mandate in Schools

September 20, 2021

INFO•ED (INFORMED NUTLEY FOR OPTIMAL EDUCATION) is a group of Nutley residents who have started this online petition to support the implementation of the NJ State Mask Mandate within Nutley Township Schools. The online petition is available at Change.org. <https://chnng.it/PhT8QVvLGW>

All interested Nutley residents are welcome to sign. As of 3:00 pm Sunday, September 19, 2021 this petition has 418 verified Nutley signers and 90 supporters from other locations. The online petition will remain open through Monday afternoon, September 20, 2021. The finalized petition will be presented in printed hard copy with the ending tally of verified names at the Board of Education meeting at 6:30 pm September 20, 2021.

Petition

During the August 23rd meeting, the Nutley Board of Education voted to draft a letter to Gov. Murphy objecting to Executive Order 251, which mandates masking for students, teachers, staff, and visitors to public schools.

o Meeting Video https://youtu.be/tnP8N8TV_uo

Throughout the initial stages of the COVID-19 pandemic, resourceful Nutley Board of Ed administrators, teachers and staff worked diligently and effectively to keep our children safe from the COVID infection. Despite these best efforts, evidence is mounting that limited in-person learning and school closures have serious negative impact on the learning and social development of students.

In-person learning has resumed as of the start of the new school year. Nutley Superintendent Dr. Julie Glazer has provided comprehensive delineation for implementing the NJ Dept. Of Education Restart & Recovery Plan. <https://www.nutleyschools.org/sites/default/files/Revised%208%2019%20Nutley%20Public%20Schools%20Draft%20Restart%20and%20Re.pdf>

We, the undersigned, support masking required in Executive Order 251, for students, teachers, staff, and visitors to our public schools--as it is a critical part of a layered prevention strategy to ensure that Nutley students can safely attend school in person.

We base our support on data, including the following facts:

- o The Centers for Disease Control (CDC) has identified the Delta variant of COVID-19 as a highly contagious virus. It has severe consequences across the country, shutting down schools in states without masking requirements and putting tens of thousands of children and teachers in quarantine.

o According to the **American Academy of Pediatrics**, nationally as of the first week in September, over 5 million children
September 20, 2021

have tested positive for COVID-19 since the onset of the pandemic. Child cases have increased exponentially, with over 750,000 added between August 5 and September 2, 2021.

- Symptomatic illness among children can be serious. The rate of pediatric hospital admissions per 100,000 people is up by 600% since the Fourth of July, according to the CDC. A devastating snapshot has emerged from states which either prohibit or do not require masks in schools. The **Children's Hospital Association**, representing America's 220 children's hospitals, states that the current COVID surges are having a significant negative impact on children, and the
- growing national pediatric hospital capacity crisis.
- Universal masking is an effective, critical measure to prevent COVID virus transmission for the protection of those who are not eligible for the COVID-19 vaccines, such as children under 12 years of age and school personnel, who are immunocompromised or have underlying health conditions that put them at high-risk for severe disease.
- Numerous studies (e.g. **National Institute of Health** studies, along with other peer reviewed scientific and academic research) have confirmed both the efficacy and necessity of mask wearing in combating the spread of COVID. Further, the **American College of Physicians** and **American Academy of Pediatrics** are in agreement with the **Centers for Disease Control** that universal masking should be required in schools, as part of a comprehensive public health strategy to help reduce the spread of COVID-19.

How can we, as a school district, ignore the recommendations informed by scientific research, public health, and medical experts?

The Nutley Board of Education must act responsibly to support mandated masking rather than object to it -- given that all three indicators of infections, symptomatic illness, and hospitalization of children are up across the country, coupled with the unequivocal evidence that masking is an essential component in protection against the contagion of COVID. The Board must also listen to and give weight to Nutley residents who support of the NJ state mask mandate. Based on a recent Monmouth University poll, reports that "Fully two-thirds of registered voters (67%) -- and parents specifically (69%) -- support the requirement that students, teachers, and staff in New Jersey schools wear face masks this year." It is reasonable to suggest that Nutley residents' opinions likely mirror these results.

We the undersigned concerned Nutley residents urge the Nutley Board of Education:

- 1. To recognize the grave consequences that objections to the New Jersey Executive Order 251 Mask Mandate will have to the health of our community -- especially our children***
- 2. To reconsider and withdraw any proposed letter of objection***

**Nutley Board of Education
Public Meeting on September 20, 2021**

3. To vigorously enforce the mandatory masking for all students, teachers, staff and visitors to our Nutley schools

Nutley Board of Education
Public Meeting on September 20, 2021

Janice Fraser	Nutley	NJ	9/13/2021	"Anyone who wants kids in school for uninterrupted full day, in- person instruction should support the NJ indoor mask mandate in school. We should also protect students who are not yet eligible for vaccination and students and staff who are unable to be vaccinated for medical reasons."
Emily Donahue	Nutley	NJ	9/13/2021	"I believe in science. I want my students to stay in school all day safely and this is the most optimal course of action. Kids are fine in masks. Adults are over reacting."
Michelle DeWitt	Nutley	NJ	9/13/2021	"I'm signing this because it's a no brainer. Of course everyone should be masked. I want to do everything to keep my son in school in person."
Michael Celona	Nutley	NJ	9/13/2021	"♡"
Lailah Rinehart	Nutley	NJ	9/13/2021	"Because I believe in science"
Anne Chi	Nutley	NJ	9/13/2021	" let's keep our kids safe!"
Joann Mazur Kielblock	Nutley	NJ	9/14/2021	"I'm signing because this is not a partisan issue, it is a human issue that affects all of us regardless of race, color, creed, socio- economic status or political affiliation. We need to get behind the science and protect ourselves against this disease if we ever hope to beat it."
Nicelle Pasquale	Nutley	NJ	9/14/2021	"Our children need to learn full-day in-person in a safe manner during this ongoing pandemic. Masking is the least we can do to keep each other safe. We need to protect our kids under 12 and our vulnerable teachers and staff. I had seen how COVID took away many, many lives in the adult ICU. This virus does not discriminate. Please stay healthy and safe. Keep your mask on especially indoors and enjoy your lives! Hug and kiss your children every day! I pray our country (and the whole world) can
				be united to put an end to this. God bless!"
				"As a mom of young children attending school within the Nutley school district, I strongly urge our Board of Ed to retract their proposal to object to the mask mandate. We must continue to place

Nutley Board of Education
Public Meeting on September 20, 2021

				safety and proper precaution at the forefront of our community affairs while vaccinations are still unavailable for children. Masks are the best way to keep our kids safe so they can continue to attend school in-person. Let's continue to keep each other, and especially our children, safe until we can finally reach better times. We can do this! Please support the mandate."
Ruby Mangubat	Nutley	NJ	9/14/2021	
Rob Garber	Nutley	NJ	9/15/2021	"Masks protect our children, especially those too young for vaccination. As adults, that's the minimum we must do to keep our children safe."
Justin Wingenfeld	Nutley	NJ	9/15/2021	"Masks are highly effective in keeping people safe from COVID. Vaccinated people can still carry the virus and pass it on the unvaccinated or vulnerable people. Children under 12 cannot get vaccinated yet. They may not get seriously ill (although they can), but they can give the virus to people who will get seriously ill and possibly die. To NOT enforce a mask mandate is egregiously irresponsible."
Kimberly LoPinto	Nutley	NJ	9/16/2021	"Without mask kids will start to die."
Sheryl Ware	Nutley	NJ	9/16/2021	"I believe that our kids lost a lot of learning last year. And in order for our kids to stay safe in school, especially the one who are not eligible to be vaccinated against Covid. It makes sense that kid should wear mask, wash their hands and social distance as much as possible."
Camille Bethelmie	Nutley	NJ	9/16/2021	"Masks help keep us all safe."
L T	Nutley	NJ	9/19/2021	"To prevent greater community spread in Nutley that can affect high risk individuals"
Dorothy Huey	Nutley	NJ	9/19/2021	"We need more voices of reason"
Gur Kaur	Cedar Grove	NJ	9/13/2021	"We should take the right precautions!!"
Christina Martinez	Clifton	NJ	9/13/2021	"Christina Martinez"
Ashwini Buksagar Math	Clifton	NJ	9/14/2021	"I really think it's still required for kids to wear mask until they are vaccinated."

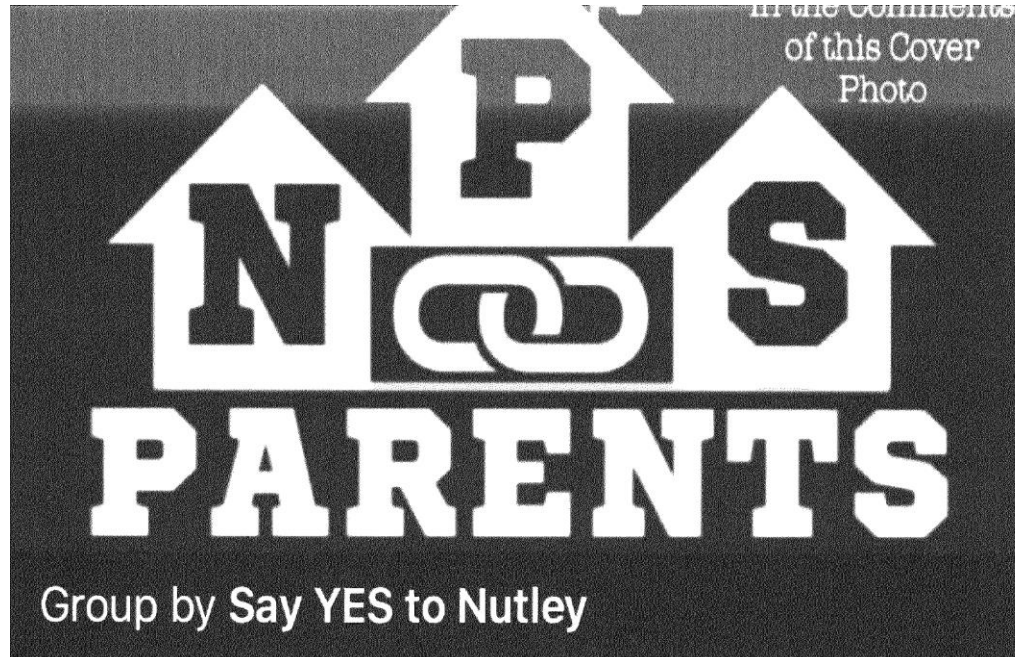

Nutley Board of Education
Public Meeting on September 20, 2021

Stacey Gregg	Wharton	NJ	9/14/2021	"I believe in science and protecting our most vulnerable citizens our children from Coronavirus and variants."
Karla Rivas			9/15/2021	"I'm signing this because as a mother of 2 young children 5th and kindergarten, I think is extremely important the continuity of precautions in order to make sure that my kids are as safe as possible during this pandemic."
