## 5450 ATHLETIC AWARDS

The Board of Education believes that interscholastic competition is an integral part of the school program.

The members of any varsity athletic team or any academic team which achieves State championship status, (or if there is to be no State championship selection, then the championship of the largest district or region which applies) shall be given appropriate awards in recognition of their achievement.

Any student who shall, as an individual, receive district or State recognition as a champion in his/her field, or be named to an All-State team as a scholar, athlete, or musician, shall be given an appropriate award to be presented to him/her by the Board of Education at a public meeting thereof. If a student is so recognized in a subsequent year, a suitable award shall be presented.

Adopted: 3 May 2004
