7250 SCHOOL AND FACILITY NAMES

School buildings and separate school facilities, both on school grounds and within school buildings, shall be named only by formal action of the Board of Education. This action will be at a public meeting properly advertised. Any action will require at least a 2/3 majority of the entire Board of Education in order to pass.

A school building or school facility may be named to memorialize the outstanding service of a school district employee or officer.

The Board welcomes the suggestions of members of the community in the naming of school buildings and facilities and may appoint a committee of interested persons to conduct appropriate studies and make recommendations for Board consideration.
